

DWELLING UNITS AND ESTIMATED POPULATION

February 1995

City of Gaithersburg, Planning and Code Administration Department 31 South Summit Avenue, Gaithersburg, Maryland 20877 Telephone: (301) 258-6330

PURPOSE AND METHODOLOGY

This document summarizes the number of dwelling units and estimated population in the City of Gaithersburg as of January 1995.

The number of dwelling units was gathered from a combination of sources: county tax records, approved site plans and record plats on file in the City Planning and Code Administration Department, county tax maps, aerials and phone verification, as well as field inspections conducted by the staff. Information on building completion progress was obtained by calculating permits granted, and the address and number of rental dwelling units was confirmed by rental housing records.

Specific multipliers were used to estimate the number of people living in the City, based on the type of dwelling unit. A multiplier of 3.15 people was used for single-family residences; 2.89 people for townhouses; 2.17 people per apartment unit; and 1 person per elderly dwelling unit and Kentlands urban cottages. These factors were computed using the 1990 Census results for the City of Gaithersburg and differ from the multipliers used countywide.

The statistics in this report are arranged by City planning neighborhood. The City was initially divided into six areas, or neighborhoods, as part of an open space study conducted by the City Department of Parks and Recreation in 1976-1978. Since then, this division of neighborhoods has served as a basis for orderly review in every aspect of City government, including land use and zoning actions.

This population/housing report is used by a great variety of committees, organizations and individuals for an ever-increasing number of purposes ranging from City-wide programs to studies on implementing affordable housing. It is also available to the public for private use.

All questions regarding the document should be directed to the Planning and Code Administration Department.
